

JOIN US!

Zest4Kidz is a grassroots charity. That means **YOU** are the charity. Here are some ways to get involved:

* Host a coffee morning to share about the work of Zest4Kidz with your friends. We can provide you with all the materials (brochures, video, pictures, stories, etc.)

* Become a Zesty Legend and join a team of people just as passionate about helping kids as you are. Find out more on our website.

* Go on a trip! Meet the kids and get become part of their story. We have regular trips to India, Uganda & Belarus.

* Join us on Facebook - www.facebook.com/zest4kidz - and keep in touch. Send us an encouraging note. We promise to send one back!

* Help us fund our second school in India. We have an additional 150 kids who need immediate help. It costs only €20 to keep a kid fed, clothed and educated for a year.

* We also need to raise €14,000 in once-off costs to start this second school. If you'd like more information please get in touch with us at matt@zest4kidz.com.

Bringing Light into Little Lives

INDIA

Zest4Kidz is a grassroots Irish charity dedicated to **one mission**: bringing hope to children in desperate circumstances. The charity was founded in 2006 by Stuart & Magi Wilson after 8 years of experience in working with international aid organizations. Zest4Kidz facilitates regular humanitarian aid projects helping children in three main areas: child soldiers and

children with disabilities in Africa, children in prisons and orphanages in Eastern Europe and children in slums & former sex-slaves in India. Zest4Kidz is successful each time a child understands that they are special and loved by God, that they can hope for a future which is brighter than their past and when these children are given the tools, by having their physical and emotional needs met, as well as through training and education, to start building a better life for themselves.

Zest4Kidz in India

Since 2008 Zest4Kidz have been partnering with local organizations to bring light into little lives. Zest4Kidz is committed to local partnerships to ensure that the work we are investing in is both effective and strategic.

In November 2009 we celebrated the opening of our first partner school in Pune, India and are planning the opening of our second school in 2012.

But why invest in education?

One of the main reasons children are sold into sex trafficking is because they become a financial burden on their parents. Zest4Kidz partners with schools to make sure the children are fed and clothed, meaning they are no longer a financial burden on their parents. Zest4Kidz partner

schools don't just help the child, they adopt the family, sending food home with the children and making sure the needs of everyone are met. What is more, each child receives a valuable education enabling them to one day move out of the slums. Zest4Kidz currently supports 200 children and their families via our school in Pune. When our second school opens in 2012 we will be supporting 350 slum families!

If you'd like to hear more of how you can partner with us please contact us at matt@Zest4kidz.com.

Want To Go On a Trip?

Every year Zest4Kidz teams partner with our local organizations to bring light into little lives by running camps, providing counseling and giving training to educators. We also work in partnership with local aid workers to bring help to girls who have escaped the sex trade.

These trips provide tangible hope for the kids we meet but they also change us, reminding us that poverty isn't just a lack of finances but also a lack of relationships. Almost everyone who comes back is impassioned to help the poor because now they know the poor.

Upcoming Trips to India:

March 10th-17th 2012

October 20th-27th 2012
